DESCRIPTION OF PROPOSED WORKS.

Water is to be diverted by means of a dam in the Humboldt River and existing ditches.

11. Estimated cost of works - \$800,000.00
12. Estimated time required to construct works - 18 months.
13. The Pershing County Water Conservation District of Nevada has entered into a contract for the purchase of the lands and water Rights of Louis G. Hammond and Katherine V. Hammond, all as more fully set out and described in the attached Exhibit A. which is hereby referred to and by such reference made a part of this Petition.

It is the intention of the Pershing County Water Conservation District of Nevada to enter into a contract with the United States for the repayment of the construction cost of said dam at Rye Patch, Nevada, and for the purchase price of the above mentioned lands and water rights, as well as other lands and water rights upstream on the Humboldt River.

It is requested that the above application for permit to change said place of diversion and said places of use be granted, and that the order of the State Engineer granting the above application for Permit to so change said places of diversion and said places of use be conditioned upon the fulfillment of the provisions of the said contract for the purchase and sale of said lands from Louis G. Hammond and Katherine V. Hammond, to the applicant and that such order become effective upon the filing in the office of the State Engineer of a certified copy of the Deed conveying said lands and water rights to applicant.

TO CHANGE THE POINTS OF DIVERSION AND PLACES OF USE
OF THE WATERS OF THE HUMBOLDT RIVER

Serial No. 9734

ORDER APPROVING APPLICATION

The above numbered application and the protests to the granting of the same filed by RUSSELL LAND & CATTLE COMPANY, a corporation, W. E. and WILLIAM LICKING, HIBERNIA SAVINGS & LOAN SOCIETY (Successor to X. RODWELL MEYER), JOHN E. MARBLE, GRAYSON W. HINCKLEY & COMPANY, a co-partnership, and HUMBOLDT LAND & CATTLE CO., a corporation, came on regularly for hearing before the State Engineer after due notice thereof having been first given pursuant to the provisions of the laws of Nevada, at Winnemucca, Nevada, on the 26th day of June, 1934, and oral and documentary evidence was presented at said hearing by the applicant and the respective protestants and the respective parties being of the opinion that the matter of the granting of the application with certain restrictions could be disposed of by stipulation and the matter thereupon being continued by mutual consent of the respective parties and the respective parties having entered into stipulation for the granting of the application with certain limitations and under certain conditions and said stipulation having been signed by the respective parties and filed in the office of the State Engineer in the above matter, it is

O R D E R E D

That the above application for permit to change the points of diversion and places of use of the water and water rights appurtenant to the lands described in said application, is hereby granted, subject to the following conditions:

(a) That the transferred water shall be used beneficially for the irrigation of the irrigable lands situate within the boundaries of the Pershing County Water Conservation District of Nevada as are shown and delineated upon the photostatic copy of a map hereninto attached, marked Exhibit A and by reference made a part of this Order and approval and in all cases where the water transferred is used upon lands within said district having a water right, that the combined use of the transferred water and the water right already existing for the irrigation of such lands, shall not exceed the maximum allowed as duty of water for such lands by decree.

(b) The water transferred shall not be stored and shall be diverted from the Humboldt River into the ditches now used for the irrigation of the lands within the Pershing County Water Conservation District of Nevada, the respective names of said ditches and points of diversion being as follows, to-wit:

Young Ditch - NE $\frac{1}{4}$ of the NE $\frac{1}{4}$ of Section 21, Twp. 28 North, Range 32 E.

Old Channel, Southwest and Union Canal Ditches -
At center of E $\frac{1}{2}$ of SE $\frac{1}{4}$ of Section 6, Township 27 North, Range 32 E.

Irish American Ditch - SW $\frac{1}{4}$ of the SE $\frac{1}{4}$ of Section 7, Township 27 North, Range 32 E.

Rogers Ditch - Center of the NE $\frac{1}{4}$ of Section 24, Township 27 North, Range 31 E.

Lovelock Land & Development Co. Ditch - NW $\frac{1}{4}$ of the NE $\frac{1}{4}$ of Section 11, Twp. 25 North, Range 31 E.

(c) There shall be deducted from the transferred water the transportation losses that occur as a result of the change

of points of diversion and places of use.

(d) The water may be transferred during the irrigation season only and at such times when the same can be used beneficially upon the lands within said Pershing County Water Conservation District of Nevada.

(e) If any of the lands from which the water rights are herein allowed to be transferred are irrigated during any irrigation season by preventable diversion or overflow, then and in such event the quantity of water appurtenant to such lands shall be deducted from the amount of water to be transferred during such irrigation season.

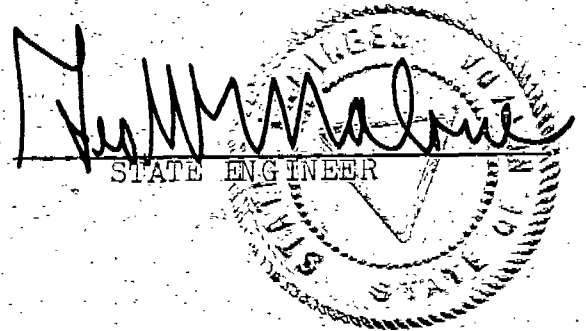

(f) This Order and permit for change of points of diversion and places of use shall not become effective for any purpose unless and until the Pershing County Water Conservation District or the United States of America shall have acquired the title to the lands described in the application, pursuant to which this Order is entered, and the District has, within six months from the date of the Stipulation pursuant to which this Order is entered, conveyed or caused to be conveyed, to Protestants T. S. Cattle Co. and W. E. and William Licking the lands described in the Agreements and Stipulations on file herein (Serial Nos. 9729-9735, both inclusive), entered into between said Protestants and the District, together with the water rights appurtenant thereto, as therein provided; and the District has, within six months from the date of the Stipulation and Agreement entered into with Protestant Russell Land & Cattle Company, a corporation, on file herein, (Serial Nos. 9729-9735, both inclusive), conveyed or caused to be conveyed to the Russell Land & Cattle Company, a corporation, the lands described in said Stipulation and Agreement, together with the water rights appurtenant thereto as therein provided.

Actual construction work shall begin on or before August 1, 1935, proof of commencement of work shall be filed before September 1, 1935, work must be prosecuted with reasonable diligence and be completed on or before August 1, 1937, proof of completion of work shall be filed on or before September 1, 1937. Application of water to beneficial use shall be made on or before September 1, 1937. Proof of Application of water to beneficial use must be filed with the State Engineer on or before October 1, 1937.
